

## Individual Group Worker Agreement

I \_\_\_\_\_ represent that I am a member or person otherwise affiliated with the Charity, \_\_\_\_\_.

Of my own free will I have decided to assist the Charity in its fundraising activities by rendering my services to the Charity in its fundraising activities, without expectation of personal compensation or monetary reward or reimbursement to myself, in order to help it staff food and beverage services at occasional events at the Facility. I understand that the Charity will receive contributions from Centerplate ("Centerplate") based upon the number of group workers, such as myself, provided by the Charity to Centerplate and the number of food and beverage locations staffed by such volunteers. I understand, intend and agree that I am a group worker and that none of the contributions so paid or perceived are intended to be personal compensation to me or any other individual. I intend any services I perform under this agreement to be performed strictly in a group worker capacity, and I further understand and agree that I do not and will not become an employee of Centerplate for any purpose by reason of the services I am working. I further represent and agree that in undertaking group work for the Charity and in providing services thereby at the Facility, I am not looking to become dependent upon the Charity or upon Centerplate for food, clothing, shelter, medical care or any of the necessities of life.

I further agree to abide by the policies of Centerplate as set forth in the Guidelines for Stand Workers and the requirements of law, and of governmental bodies that apply to the provision of food and beverage services at the Facility.

I further hereby release and discharge Centerplate, the Metropolitan Sports Facilities Commission, and tenants of the Hubert H Humphrey Metrodome from any and all claims, liabilities, damages, and expenses, including bodily injury or death, arising out of or in connection with the services I may provide in the group worker arrangement described in the Agreement. I acknowledge that Centerplate does not provide Workers' Compensations Insurance for any Charity group workers.
